**givejedahand** #CAMH is #Mental #Illness is #theCOMPOUND is #theCULT #queenwest #ossington - A #cult is a #fake #religion with its own #fake #saints in this case #OldHat Pat Capponi of #Voicesfromthestreet her #RentAMental #SpeakersBureau, Linda Chamberlain who #faked her #terminalcancer #martyrdom a few years ago (she even has a #shrine dedicated just to her!), and Diana Capponi who got a #schtick at #SCAMH and found others #schticks as #cleanair #ambadsasors - #enfircers #snitching on #smokers. #CAMHFoundation is a #CULT - #Madpride!
